

FROM CENTRAL EXPRESSWAY:

Take Central Expressway South to I-30 West. First exit after you are on I-30 is Ervay Street- take exit. Top of the exit ramp is a light at St. Paul, turn left towards the Ambassador. You will be headed south on St. Paul Street. St. Paul quickly merges with Ervay Street, turn left (south) onto Ervay. Go 1.1 mile until you go under an overpass. First street on the right after the underpass is Sanger- turn right. Next street is Holmes- turn right. Take your next right at the end of the block on Santa Fe. We are in the three-story brown brick building on your left with the fence around the parking lot. There is a sign on the building - 2401 S. Ervay. Park your car outside against the hurricane fence in the spaces next to the drive through gate marked "Coombs Bridge Visitors." If these are taken, park up against our building further down on the right. Then dial " # 26" on the intercom system attached to the building to call us to let you in. Come upstairs to our offices on the second floor right off the elevator (Suite 206), or for castings on the third floor right off the elevator (Suite 306).

FROM I-30E WEST OF DOWNTOWN:

From I-30 West of Downtown Dallas, take the Lamar Street exit. At the light turn left, heading south on Lamar, you will pass South Side Restaurant on your left. At the light at Corinth you will make a left. Then make a right on Ervay. First street on the right after the underpass is Sanger- turn right. Next street is Holmes- turn right. Take your next right at the end of the block on Santa Fe. We are in the three-story brown brick building on your left with the fence around the parking lot. There is a sign on the building - 2401 S. Ervay. Park your car outside against the hurricane fence in the spaces next to the drive through gate marked "Coombs Bridge Visitors." If these are taken, park up against our building further down on the right. Then dial " # 26" on the intercom system attached to the building to call us to let you in. Come upstairs to our offices on the second floor right off the elevator (Suite 206), or for castings on the third floor right off the elevator (Suite 306).

FROM DFW:

Take the South Airport exit to 183 towards Dallas. Take 183/I-35 to Downtown Dallas. At the Mixmaster get onto I-30 East. Take the first exit, Lamar Street. At the light turn left, heading south on Lamar, you will pass South Side Restaurant on the right. At the light at Corinth you will make a left. Then make a right on Ervay. First street on the right after the underpass is Sanger- turn right. Next street is Holmes- turn right. Take your next right at the end of the block on Santa Fe. We are in the three-story brown brick building on your left with the fence around the parking lot. There is a sign on the building - 2401 S. Ervay. Park your car outside against the hurricane fence in the spaces next to the drive through gate marked "Coombs Bridge Visitors." If these are taken, park up against our building further down on the right.

Then dial “ # 26” on the intercom system attached to the building to call us to let you in. Come upstairs to our offices on the second floor right off the elevator (Suite 206), or for castings on the third floor right off the elevator (Suite 306).

FROM LOVE FIELD:

Go straight out of Love Field on the exit road. After the light it is called Cedar Springs. Follow Cedar Springs to Oak Lawn, turn right onto Oak Lawn. Follow Oak Lawn to Maple Avenue; turn left onto Maple. Follow Maple to McKinney; turn right on McKinney. Follow McKinney to St. Paul, and turn left onto St. Paul. Follow St. Paul through Downtown until it merges with Ervay Street; turn left (south) onto Ervay. Go 1.1 mile until you go under an overpass. First street on the right after the underpass is Sanger- turn right. Next street is Holmes- turn right. Take your next right at the end of the block on Santa Fe. We are in the three-story brown brick building on your left with the fence around the parking lot. There is a sign on the building - 2401 S. Ervay. Park your car outside against the hurricane fence in the spaces next to the drive through gate marked “Coombs Bridge Visitors.” If these are taken, park up against our building further down on the right. Then dial “ # 26” on the intercom system attached to the building to call us to let you in. Come upstairs to our offices on the second floor right off the elevator (Suite 206), or for castings on the third floor right off the elevator (Suite 306).

FROM DOWNTOWN:

Take St. Paul Street south through Downtown. Cross over I-30. St. Paul quickly merges with Ervay Street, turn left (south) onto Ervay. Go 1.1 mile until you go under an overpass. First street on the right after the underpass is Sanger- turn right. Next street is Holmes- turn right. Take your next right at the end of the block on Santa Fe. We are in the three-story brown brick building on your left with the fence around the parking lot. There is a sign on the building - 2401 S. Ervay. Park your car outside against the hurricane fence in the spaces next to the drive through gate marked “Coombs Bridge Visitors.” If these are taken, park up against our building further down on the right. Then dial “ # 26” on the intercom system attached to the building to call us to let you in. Come upstairs to our offices on the second floor right off the elevator (Suite 206), or for castings on the third floor right off the elevator (Suite 306).

FROM TOLLWAY OR I-35:

Travel I-35S to I-30 East. The first exit will be Lamar Street. At the light turn left, heading south on Lamar, you will pass South Side Restaurant on your left. At the light at Corinth you will make a left. Then make a right on Ervay. First street on the right after the underpass is Sanger- turn right. Next street is

Holmes- turn right. Take your next right at the end of the block on Santa Fe. We are in the three-story brown brick building on your left with the fence around the parking lot. There is a sign on the building - 2401 S. Ervay. Park your car outside against the hurricane fence in the spaces next to the drive through gate marked "Coombs Bridge Visitors." If these are taken, park up against our building further down on the right. Then dial " # 26" on the intercom system attached to the building to call us to let you in. Come upstairs to our offices on the second floor right off the elevator (Suite 206), or for castings on the third floor right off the elevator (Suite 306).

DIRECTIONS OUT OF THE STUDIO TO I-35 NORTH/I-35 SOUTH/I-30 WEST:

From the studio parking lot turn left onto Holmes. At the first intersection, turn left onto Sanger. Follow Sanger one block to Ervay. Turn left onto Ervay. Follow Ervay to Canton and make a left. Merge left onto the freeway entrance ramp and quickly merge left into the I35 North lane, which will say "Denton". OR you can go straight to take the I-35 South lane. OR you can quickly move all the way left into the I-30 West lane.

DIRECTIONS OUT OF THE STUDIO TO 75 NORTH/I-30 EAST:

From the studio parking lot turn left onto Holmes. At the first intersection, turn left onto Sanger. At the next intersection, turn left onto Ervay. Ervay curves around and ends up at the access road over I-30. Turn right on the access road and go straight through the light at St. Paul and the road forks. Take the left fork for I-30 East. OR take the right fork for 75 North.
